# ATTRACTION by WET® Magnetic Line

## AT-SHOWER SET 1

**Magnetic AT-shower (6 color options)**

**150cm flexible hose**

**pressure limiter**

**FE-tile Irony support 40x40 cm wall tile**

**(including fixingset & spacers)**

**Magnetic 250cc shampoo AT-bottle with dispenser**

### Magnetic ATTRACTION SHOWER SET 1

This set completely substitutes the traditional shower slide rail system, and needs no specific hydraulic installation.

By means of magnetic force your showerhead movement possibility is not only in height, but also in left & right direction !

The shower is equipped with an easy clean spray pattern rainshower (by NIKLES) and includes a watersaving pressure limiter limiting 9L/min! following the latest EN 1112 European shower regulations.

AT-SH1 includes a handy magnetic shampoo bottle with 20cc dispenser\* good for any liquid soap /shampoo or balsam.

The white (RAL9010) "irony" wall-tile includes 4 spacers for proper installation against any water resistant wall.

## FE-TILE

Supplement 40x40 cm Irony support/wall-tile, includes fixingset + spacers, for In order to give more possibilities of positioning the AT-objects.

## AT-MIRROR SET

**AT-hair brush, ash-wood, pure bristle**

**AT-family comb - wooden pins**

**AT-afro comb - wooden pins**

**FE-mirror 40x 40 cm (incl fixingset )**

### Irony MIRROR WITH magnetic ACCESORIES

40x40cm Irony mirror with magnetic wooden family comb, magnetic wooden afro comb, and magnetic wooden hair brush, includes wall-fixingset.

## AT-BOTTLE

**Magnetic AT-bottle with dispenser**

A 250 cc transparent bottle / 20cc dispenser.  
Good for any liquid soap /shampoo or balsam.

## AT-JETSET

**Magnetic Jetset**

This is a massage-set with 4 jets.

Each jet can be regulated in any direction

and freely positioned thanks to their magnetic attachment shield.

The jets include a pressure limiter.

## FE-PANEL

**Irony FE PANEL with integrated MIXER / DEVIATOR**

This Thermostatic-supply-deviator-panel, with integrated high-quality thermostatic mixer + 2 channel deviator for both shower + jetset, substitutes the shower slide rail system and wall-mixer. It can easily be installed in new installations, saving money and time to wall-installation, as well as in renewal/ exchange or upgrade of existing shower combinations, as the 100x58cm panel will cover the previous installation-damage. FE-thermo-PN needs to be properly installed to the hot and cold circuit.

100x58cm Irony-panel with pre-installed thermostatic mixer and 2-channel deviator, includes installed water-channel outlets and wall fixingset with spacers.

## AT-SHOWER SET 2

**AT-shower (see color)**

**AT-bottle with dispenser**

**150cm flexible hose**

**AT-jetset**

### Magnetic ATTRACTION SHOWER SET 2

This set was created for combination with the Attraction "irony" FE-supply-panel\* (or can be used with any multiple "irony" FE-tile-combination) By means of magnetic force your showerhead movement possibility is not only in height, but also in left & right direction ! The shower is equipped with an easy clean spray pattern rainshower (by NIKLES) and includes a watersaving pressure limiter limiting 9L/min! following the latest EN 1112 European shower regulations. AT-SH2 includes a magnetic "Jetset", a massage-set with 4 jets that can each be regulated in direction and freely positioned on their magnetic attachment shield and include their own pressure limiter, and a handy magnetic shampoo bottle with 20cc dispenser\* good for any liquid soap /shampoo or balsam.

irony support : NOT INCLUDED
