WET X-Light Surround basin - the first "musical" washbasin

WET, an Italian company, never stops surprising ... WET is proud to present the X-Light Surround basin, the first "musical" washbasin. It is 142 x 38 cm and is made from transparent, light-diffusing acrylic polymer (PMMA). Designed by Jan Puylaert, the X-Light Surround basin comes with a built-in amplified speaker system for MP3 or portable CD-player. Shown with WET's new King faucet.

Also see world's first multimedia basin from WET.
