Switch On the Mirror with Te Quiero by Wet

Images: Wet
 The Italian company Wet presents the 12 volts Te Quiero mirror and illumination line. Designed by Mariandrea Zambrano it uses an elegant and recognizable chandelier-shape in order to visually transform your bathroom into a living room. Te Quiero simply combines both illumination and mirror so that no additional illumination is needed, whereas the floor-chandelier includes a stackable towel hook to confirm its bathroom-identity. Maximum 4 x 20 watt, with dimmable CE approved transformers are needed.
